Hi Everyone,

I do hope that you have all enjoyed a wonderful summer and feel energised; I have found this year truly amazing for the vibrancy, colours and the beauty of the plants, and trees, not forgetting the amazing skies. We are truly blessed.

This is your reminder about paying your membership fees for the year 2016-7 and a gentle reminder that in December you will need to pay your insurance to Balens, if you use them; they will send you a reminder before your payment is due.

Enclosed is a form to fill in the details of your address, email and phone number. It really does help us keep the records accurate and should we need to get in touch with you quickly for some reason, we can.

If you run a healing group on a regular basis and/or should you wish to advertise as both a healer and therapist then don't forget we are happy to include you in the Notice Board and if you have a website then why don't you contact Jay and create a link with the Fellowship website. Address is above.

The healers that are working with the Rays of Light have increased in number is such an important part of our work; so if you haven't joined us now's the time. ☺.

A very big thank you to Geoff for finding the time to share with us the story of his healing work with the Walnut Tree Project.

Committee
